

**To Advertise in the 2018 OSP Playbill or Become an OSP Patron of the Arts**

To advertise in the 2018 Playbill, payment and camera-ready ads must be received by February 12, 2018.

- Provide your own art work. Graphics should be camera-ready in two tone, black on white clip-art style, (NO greyscale images / NO B&W or color photographs. The letterhead on this page is an excellent example of the black on white clipart that works best.) Include an e-mail address for contact purposes.
- If you do not have a printer-ready ad, one can be created for you upon request. To do so simply include a separate sheet with all information required for the ad and suggestions for the graphic(s) you would like. Please allow extra time for this service and include an e-mail address so a copy of your ad can be sent to you for final approval.
- Prices are for one ad which will run in all 5 Playbills during the 2018 season.
- Please mark appropriate boxes, fill in the entire form and return with payment to:
